

# Learner Agreement

I have read and understood the learner handbook and agree to the following:

I will....

- let the Community Learning Team know if I need additional or specific support to help get the most from my course
- advise my tutor as soon as possible if I am no longer able to attend a lesson
- arrive on time for my course
- not book holidays or time off during the exam period, as I understand that examinations are important (and expensive). Take as final the decision of Community Learning about entering me for exams.
- respect staff and other learners
- tell you if I witness or experience any inappropriate behaviour
- adhere to any health and safety procedures
- make sure I attend regularly so that I get the best from my course
- let my tutor know if there are any changes to my personal circumstances
- provide feedback so the Community Learning team can provide a good service

In return we will....

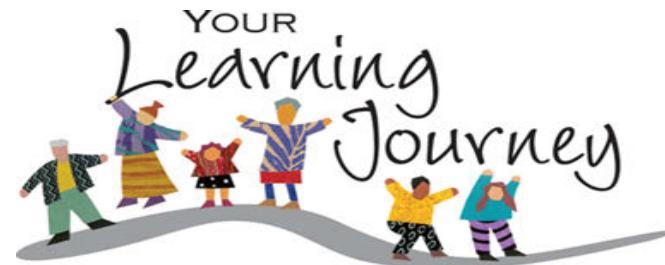

- listen to you and help you to gain new skills
- meet the needs of our local community
- provide you with skills for life which will make you more confident and give you better choices when seeking work
- challenge discrimination and harassment in all their forms
- provide a safe, healthy and supportive learning environment
- constantly work to improve all aspects of our service

## Taking a qualification

If you are thinking about taking a qualification course, we will need to check your existing skills level. Sometimes this is called an initial assessment.

We will assess your starting point in English, maths and, for some courses, IT. There will be somebody on hand to assist you. The result will be available to you immediately. You will see your strengths and weaknesses and this will help to decide which courses to attend.

You will also need to commit to attending regularly and studying hard. You will need to sign the learner agreement at the end of this booklet.

## Your next learning steps

We hope that you will want to continue learning. Your tutor will tell you about further learning opportunities in his/her subject area and any member of the Community Learning Team will be pleased to discuss your needs and interests. We can also give details for other local providers.

You can find details of further courses at:

[www.bracknell-forest.gov.uk/communitylearning](http://www.bracknell-forest.gov.uk/communitylearning)

# Your safety

Please take note of the information on the noticeboards around the building and fire exit doors. These include safeguarding, e-safety, fire regulations and what to do if you have an accident.

If you have an accident, injury or near miss while on the premises, please speak to a member of staff. We will arrange any necessary assistance and ask you to complete an incident report form.

Our staff undertake safeguarding training and understand the importance of safeguarding children and adults at risk from abuse. Abuse is when someone does something to another person that damages their quality of life or puts them at risk of harm. The abuse may be physical, emotional, sexual, neglect, financial or discriminatory.

If you suspect that a child or adult is being abused or neglected or is at risk, you should contact **Gillian Leather, our Safeguarding Officer**, based in the office behind main reception or inform your tutor or any member of staff. You can also telephone the Bracknell Forest Adult Safeguarding Team on 01344 351500, the out of hours team on 01344 786543 or Thames Valley Police on 101 (or 999 in an emergency). You can also call these numbers if you are being abused.

**Prevent** is part of the Government's anti-terrorism strategy. It is intended to stop people from being radicalised into violent extremism. In Bracknell Forest, the Prevent Steering Group is chaired by the local authority and includes the police, health service, education and the local community. If you have information regarding suspected terrorist activity, you should report this immediately to the police or Anti-Terrorist Hotline on 0800 789 321. If you believe someone to be vulnerable to radicalisation or at risk of being drawn into radicalisation you should use the safeguarding contacts detailed above.

## What is important to us

We believe in the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs and will promote this wherever we can.

We want to help you:

- develop your self-knowledge, self-esteem and self-confidence;
- distinguish right from wrong and to respect the civil and criminal law of England, understanding that this is essential for your wellbeing and safety;
- accept responsibility for your behaviour, show initiative, and to understand how you can contribute positively to the lives of those living and working in your locality and to society more widely;
- promote tolerance, harmony and respect between different cultural traditions;
- appreciate and respect your own and other cultures and beliefs;
- take part in decision-making through the democratic process, both at a national and local level.

These values are not exclusive to being British and are shared by other democratic countries as a way of creating an orderly society, where individual members can feel safe, valued and can contribute for the good of themselves and others.
